

Be a Good Samaritan, sponsor a tree, change lives

Set in the rolling hills of **Northern Andalusia**, the olive grove forms part of land farmed by a Christian drug rehabilitation centre called **El Buen Samaritano**.

The organic extra virgin olive oil produced in this part of Spain is universally recognised as being some of the finest quality in the world. This is because of the hot, dry growing conditions which result in low yields but exceptional quality.

The centre's harvested olives are taken to a co-operative to produce the oil. In 2004 the co-operative received the Best Organic Farming Award from the Spanish food industry.

For a minimum contribution of only 70 € you will receive a 3 litre tin of this delicious organic extra virgin olive oil and you will also receive **a photograph of your tree !**

Every tree has been individually numbered, so you will be able to tell your dinner guests that the oil in the pasta salad they are enjoying is from your own tree, or at least from one close by ! **Sponsoring a tree could also be the ideal gift** for any occasion : Christmas, birthday, anniversary, wedding, or just a gift to show someone that you care !

ALL PROFITS FROM THE "SPONSORSHIPS" WILL BE RETURNED TO THE DRUG REHABILITATION CENTRE.

If you feel like it, you could also **come and visit us** and participate as a volunteer at the Centre. If you come in spring, you will be able to clean and prepare the olive trees for the harvest, and if you come between November and January, you will be able to participate in the picking. **Come and join us!**
